The script:

Mrs. Sandra finished eating and put her hand down to get her handbag. It was not there. She looked under the table, on the floor, and under the chair but the bag was not there. Therefore, she went to the restaurant manager in his office and told him the story.

“I’m very sorry,” he said. “This is a bad thing to happen in my restaurant. Who was sitting near your table?”

“A good-looking man was all the time looking at me and smiling”, Mrs. Sandra answered.

“I’m sure that he stole your bag. For the moment, we will not let you walk the whole way. We will give you some money to get back to your home,” the manager said.

“Thank you” said Mrs. Sandra. “There was still some money left in the bag. I wanted to do some shopping this afternoon. I still want to buy some clothes. Now I can’t buy them”.

“Your husband will give you some more money”, said the restaurant manager.

“I don’t know”, said Mrs. Sandra. “We are not rich, and my husband has many things to pay for in the house”.
