**Happiness is a clean park**

1- My name is David and this is my park. I live next to this park. I like it but there was a lot of litter. It was dirty. People threw litter everywhere. They threw plastic bags and bottles.

4- Last autumn, my friends and I cleaned up the park. We put up posters and asked volunteers to help us.

6-Many voluntary people came to the park in the afternoon. They were very helpful. First we collected all the garbage, second we put them into plastic bags and swept the floor with brooms. Third, we put the bags in litter cans.

9-This is my park now. It's beautiful, clean and tidy. Cleaning the park is everyone's responsibility. We must always clean all the litter before leaving the place.
